

Yes! You Can Afford A Marketing Director

Have an expert in your corner to keep your sales and marketing goals on track.

You're ready to see your sales grow. To do that, you have set aside a marketing budget to get the word out.

But, are you sure what messages are going to resonate with your audience? Do you have confidence in the marketing mix you are planning to invest in?

You need a marketing director on your team who can develop a strategy and keep it on track.

That's where I come in.

- I'll help you kick off your marketing plan with the right messaging and strategy.
- I will then provide you monthly reports on what is working, what is not, and how to keep improving.
- Throughout the year I'll be the marketing director you need in your corner.

I've worked as a freelance sales and marketing consultant for over 10 years and led an award-winning agency for 4 years.

But wait, there's more

Besides being a marketing consultant, I lead the largest marketing freelancer collaborative in the country, Amplified Concepts. With over 100 members I am able to put together the right team and recruit the exact right talent to help you execute your marketing strategy.

If this sounds like the kind of help you need to see your business grow contact:
